

Staff Specialist in Intensive Care Medicine
Manning Rural Referral Hospital
Permanent fulltime (job share may be considered)

We are seeking a dynamic Intensivist to join Manning Rural Referral Hospital and provide quality Intensive Care services including clinical leadership and operational management of Intensive Care Services. This is a unique opportunity to join a team of two other Intensive Care Specialists to share in the management of a 4 bed Intensive Care/ 6 bed High Dependency Unit.

Manning Rural Referral Hospital is a public hospital serving the local communities of Taree, Forster, Tuncurry and surrounding districts which operates 160 beds including 20 Mental Health beds and provides a broad range of specialist services. Our services include general medical and surgical wards, as well as general surgery, ophthalmology, urology, paediatrics, gynaecology and obstetrics, dental, bronchoscopy, endoscopy, TOES, ECT, and emergency. There is also a renal dialysis unit, and other services such as orthopaedics, vascular surgery, intensive care/coronary care, peri operative (operating theatre, recovery and day only), paediatrics, maternity, oncology and a new state of the art Emergency Department.

Taree is located on the Mid North Coast of New South Wales, just 3 hours north of Sydney, 2 hours north of Newcastle and 1 hour south of Port Macquarie. The hospital serves a population of around 100,000 people encompassing an area of 3,732 km².

The Manning Valley is home to a range of some of the best beaches in Australia and features some 11 beach areas all offering a range of different beach experiences from surfing to swimming in protected and patrolled areas and some great beach walks. The area is surrounded by magnificent national parks. For more information on Taree and what this region has to offer see <http://www.gtcc.nsw.gov.au/>
