

Consultant Intensive Care Unit (6 Month Locum)

Royal Perth Hospital is looking for an experienced Locum ICU Consultant from 21 March 2016 for 6 months.

The Intensive Care Unit is a 20 bed busy, dynamic unit caring for the most acutely ill patients who have been referred to us from across Western Australia with approximately 1500 admissions each year. Our staff members have broad experience in managing patients with all types of acute medical and surgical illnesses.

Our specialty areas include:

- major trauma including neuro-trauma
- complex and elective surgery, and
- complex spinal surgery including scoliosis surgery

The Consultant rosters cover 24 hours a day, 7 days a week including the on-call component. In collaboration with other team members, you will provide clinical management and care to our patients as a member of the ICU Consultant team

Essential Criteria

- Eligible for registration as an Intensive Care Specialist with the Australian Medical Practitioner Regulation Agency.
- Fellowship of the College of Intensive Care Medicine
- Extensive clinical experience that includes the management of major trauma.
- Sound written and oral communication skills.
- Demonstrated commitment to quality assurance.
- Available for after hours on call.
- Experience in supervision of staff and good interpersonal skills
- Experience in postgraduate and undergraduate teaching.

Apply

To apply please send a CV and an email or covering letter to:
