

i can

...have twice
the impact

I can go beyond a purely clinical role to change the lives of people in the community and guide the way healthcare develops in my field. Taking on such a complex role ensures I'm personally and professionally rewarded. At SA Health, I can tap into all the resources I need to continually advance my career.

Job Ref: 630044 - ICU Consultant

- **Central Adelaide Local Health Network, The Queen Elizabeth Hospital**
- **Indicative Total Remuneration: \$194,265 - \$255,974 (pro rata) – Temp P/T (18.75 hrs p/wk, up to 31/12/2017) – MD2**

In this challenging and rewarding position, you will contribute to the provision of high quality professional medical services within The Queen Elizabeth Hospital (TQEH). As a dedicated Medical Specialist, you will provide a full clinical service to the Intensive Care Unit and will form part of the multidisciplinary team in the Intensive Care Network. This will include providing safe, best practice clinical services to patients requiring Intensive Care services, providing a clinical service to outreach including MET, consults and tracheostomy duty management, as well as providing clinical leadership to facilitate and support a team approach to the provision of Intensive Care Services. In addition, you will participate in a full range of professional practice and development activities.

Recognised as one of South Australia's finest public teaching hospitals, TQEH has been providing inpatient, outpatient, emergency and mental health services to people living primarily in Adelaide's western suburbs since 1954.

You will have achieved your Fellowship of the College of Intensive Care (formerly the Joint Faculty of Intensive Care Medicine) or an equivalent specialist qualification, and be registrable with the Medical Board of Australia (AHPRA) as a Specialist in Intensive Care. With extensive clinical experience within a Level 3 Intensive Care Unit, you will possess highly developed interpersonal skills with demonstrated ability to communicate effectively to all levels of staff within a multidiscipline clinical team. You will enjoy participating in all Department professional activities ensuring a continued commitment to personal and professional development.

Appointment will be subject to a satisfactory Criminal History Check.
Aboriginal and Torres Strait Islander applicants are encouraged to apply.
