

# i can

...expect something  
new everyday

I can work in so many unique situations with different people, everyday is different. One thing is always the same: the satisfaction I feel being the difference in someone's life. At SA Health, I can combine my passion for people with continuous opportunities for career development.

## Job Ref: 656047 - Medical Retrieval Consultant (Multiple Vacancies)

- SA Ambulance Service, MedSTAR Emergency Retrieval Service, Adelaide Airport, Eastwood
- Indicative Total Remuneration: \$194,265 - \$255,974 (pro rata) - Temp P/T (18.75 hrs p/wk up to 19/3/2018) - MD2

This is a great opportunity to work within a challenging yet rewarding emergency services environment. As part of the MedSTAR Emergency Retrieval Service, you will provide mentoring, support and clinical supervision for Retrieval Registrars and Fellows, other retrieval consultants, paramedics and nurses in the retrieval service. You will perform remote clinical assessments by telephone, videoconferencing or other similar technology, and formulate clinical transport needs including urgency and platform allocation, along with the determination of retrieval crew requirements and skill sets. Assisting the Director, Clinical Directors and other members of the SAAS MedSTAR leadership team in strategic planning, you will organise the delivery of emergency medical retrieval services and accept a specific portfolio and lead and manage that area.

MedSTAR is South Australia's unique 24-hour emergency medical retrieval service that allows medical teams to reach the victims of serious accidents and medical emergencies faster than ever before. We are dedicated to providing the people of South Australia with the highest level of emergency medical patient care, treatment and transport. Working for us, you will have access to attractive Salary Sacrifice benefits.

You will hold a postgraduate qualification allowing for specialist registration in Anaesthetics, Intensive Care or Emergency Medicine with the Medical Board of Australia, or you will hold a postgraduate qualification allowing for specialist registration in a recognised medical specialty with appropriate exposure to pre-hospital and retrieval medicine. With a proven track record of clinical experience in a specialty with exposure to critically ill and injured patients, you will be confident in undertaking a leadership role, supporting and mentoring other health care professionals.

The South Australian public sector promotes diversity and flexible ways of working including part-time. Applicants are encouraged to discuss the flexible working arrangements for this role. Appointment will be subject to a satisfactory Criminal History Check. Aboriginal and Torres Strait Islander applicants are encouraged to apply.

**Applications close: 23 March 2018**
