

Central Coast Local Health District

JOB NUMBER REFERENCE: ATR 15924

Junior Medical Officer – Advanced Trainee Geriatric Medicine

General Medicine

Central Coast Local Health District (CCLHD) has an opportunity for suitably experienced Advanced Trainee to work in the Gosford / Wyong Hospital Geriatric Department located on the NSW Central Coast.

The Geriatrics Departments is well supported by committed Physicians and Junior Medical Workforce with a tight team that is highly procedurally focused.

We're looking for suitable qualified candidates who have experience in Geriatric Medicine, and are committed to clinical practice review and improvement, as well as further clinical training and teaching. The Local Health District has strong links with the University of Newcastle Medical School.

Allocated Clinical Support Time
