

Consultant Intensivist, Dandenong Hospital ICU, Monash Health

About the Role

Applications are invited from suitably qualified practitioners for the position of Consultant Intensivist at Dandenong Hospital ICU on part-time basis.

The position is offered as a fixed term 1 year appointment with the opportunity to apply for ongoing employment beyond this period. Terms and conditions of employment are as per the standard Monash Health Intensivist contract. Superannuation payments by Monash Health will only be made up to the maximum Superannuation Guarantee Contribution Limit.

About Us

Dandenong Hospital ICU is a 14 bed unit recognised for 12 months training by CICM with facilities for looking after adult medical and surgical patients except for neurosurgery & cardiac surgery.

You Must

Applicants must have Fellowship in Intensive Care Medicine, Australia & New Zealand (CICM) and have current registration with AHPRA.

You are required to attach a copy of your primary & specialist Medical qualification in the education section in the next page. If successful you will be required to present the original or certified copy to Monash Doctors Workforce. Successful candidates may also be offered an academic appointment in the relevant school in the Faculty of Medicine, Nursing and Health Sciences at Monash University should their qualification and experience warrants such appointment

For further information please contact Dr Yvonne, Director of Intensive Care, PH: 03 9554 8126 or EM: Yvonne.kearley@monashhealth.org
