ICU Registrar-Coastal Queensland

Position: Registrar/PHO

Department: Intensive Care Unit

Duration: (Temporary Full Time) 12 months; Start July or August 2016

Location: Coastal QLD

Career Medical is currently working with a large Public Hospital situated in Coastal Queensland seeking an ICU Registrar/PHO.

About the Position:

You will be providing high quality clinical care ICU to the patients of the hospital and maintaining patients clinical records while under the supervision of consultants. You will have the opportunity to supervise and assist teaching junior medical staff to ensure that they are trained adequately to fulfil their duties. As part of your duties you will be required to participate in an on-call roster and undertake theoretical and practical training in the ICU Unit.

About the Hospital:

The leading public hospital is located approximately a 1.5 hour flight north of Brisbane. The region has been firmly fixed in a long-term cycle of positive growth and is the largest regional economy in Queensland. The hospital has recently been redeveloped, at a cost of \$408 million, to increase the bed capacity from the current 180 beds to 318 beds. The redeveloped hospital is equipped with leading edge technology to assist staff to provide the highest level of care and comfort to our patients. The hospital provides specialist services in obstetrics, gynaecology, paediatrics, orthopaedics, psychiatry, urology and oncology and many other specialty areas. New services implemented in late 2013 include a Cardiac Catheter Laboratory and an MRI scanner.

Requirement:

- Current Registration with AHPRA (No AMC MCQ please)
