

Working together to
build a **healthy**
North Queensland

Townsville Hospital and Health Service

Senior Staff Specialist/Staff Specialist or Senior Medical Officer (Intensive Care - Paediatric)

The Townsville Hospital

Enjoy a laid-back tropical and coastal lifestyle with this PICU position at the major tertiary/referral hospital in the North Queensland region. The Townsville Hospital and greater HHS region offers you the perfect opportunity for a working holiday.

Position is temporary full-time or part-time up to 12 months, hours are negotiable. There is also the possibility of extension beyond this term for those who fall in love with the sunshine region. Candidates seeking shorter term contracts are also encouraged to apply under this recruitment process.

It is highly desirable that the candidate holds, or is imminently eligible to hold, specialist Fellowship with the College of Intensive Care Medicine (FCICM).

What's on offer?

- Pro rata remuneration package based on full-time equivalent value of up to \$427 223 p.a.
- Base salary range of \$171 044 - \$216 865 p.a. (f/t) or \$81.95 - \$103.90 p.h. (p/t) (L18-L27)
- Annual Recreational Leave accumulation with 17.5% loading when taken
- Generous employer contribution to superannuation of 12.75%
- Attraction and retention incentive allowance of 50% base annual salary
- Regional and rural attraction allowance of 5% base annual salary
- Motor vehicle allowance
- Professional development allowance and leave of 3.6 weeks p.a.
