

## Director of Intensive Care Services

### ABOUT THE ROLE:

This is an exciting time to join Werribee Mercy Hospital with current and future developments leading towards becoming a Tertiary Facility. In mid-2018 our current service will grow with the commissioning of our new multistorey acute services building, including additional Theatres, Wards and an Intensive Care Unit. We are seeking an experienced Intensive Care Practitioner to lead our Unit.

- Permanent position, up to full time hours (co-appointments considered)
- Opportunity to start immediately part time, building up hours as opening of the Unit approaches
- A unique opportunity to develop and implement the vision and strategy for the Unit
- This role will see you having overall responsibility for the services provided by the Intensive Care Unit
- The ICU Director will oversee clinical governance and clinical standards, provide leadership and professional support for clinical staff
- Provide excellence in the delivery of clinical service, and maintain an appropriate clinical load to achieve the goals of the Unit
- Work in strong partnership with members of the Senior Medical Staff and members of the Health Services Leadership Team
- Develop collaborative relationships internally with other departments, and externally with other Health Service Intensive Care Units to facilitate patient flow.
- Provide leadership in the management of high acuity patients across the organisation

### ABOUT YOU:

- Registration with Australian Health Practitioner Regulation Agency (AHPRA), as a Medical Practitioner
- Fellowship of the College of Intensive Care Medicine
- Meet the requirements for credentialing and scope of practice in Intensive Care Medicine
- Demonstrated knowledge and experience in Intensive Care Medicine
- Demonstrated high level consultative and collaborative leadership skills
- Sound understanding of clinical risk management, maintenance of clinical standards and application of clinical governance processes
