

# CriticalCare and Resuscitation

**Critical Care and Resuscitation (CC&R)** is the official scientific journal of the College of Intensive Care Medicine (CICM), which is the standards and accreditation body responsible for the training and certification of all Intensive Care specialists in Australia and New Zealand.

The Journal is now in its 19th year of publication and is received and read by all Intensive Care specialists and trainee specialists in Australia and New Zealand, along with an increasing number of subscribers from around the world.

**Critical Care and Resuscitation** is the perfect publication to advertise your products and/or services.
