

COLLEGE OF INTENSIVE CARE MEDICINE OF AUSTRALIA AND NEW ZEALAND

EDUCATION CONFERENCE
ITER UPDATE

EDUCATION CONFERENCE

[REGISTRATIONS ARE NOW OPEN](#)

[EDUCATION CONFERENCE PROGRAM](#)

Following on from the great success of the 2013 event, the Education Conference will be held on the 4 & 5 September 2014, RACV Resort, Gold Coast.

SPEAKERS INCLUDE:

Professor John Sweller - An Australian educational psychologist who is best known for formulating an influential theory of cognitive load.

A/Prof Terry Brown - Has a longstanding interest in medical education, working as a Director of Clinical training in both the UK and Tasmania over the past 15 years.

Dr Ian Story - Head Health Academic Development Unit: Deakin University.

And many more...

WHO SHOULD ATTEND?

If you have an interest in ICU education, are a Supervisor of Training, Examiner, Director or just value teaching and would like to improve your understanding and skills then this conference promises to be an exciting and thought provoking experience. If you have a passion for teaching, then this conference is the perfect forum to network with our education leaders.

ITER UPDATE

The College has been receiving a steady flow of completed ITERs and are pleased with the results.

We have received enquiries from trainees and supervisors about the recommended internet browser to use when completing the ITER form. The College recommends the following browsers:

- **Chrome** ([Click here to download](#));
- **Firefox** ([Click here to download](#));
- **Internet Explorer (IE) 9 and above** ([Click here to download](#)); and

- **Safari.**

The following browsers are not supported:

- Issues have been identified by users of **Internet Explorer 8** - the College is currently exploring options, in the meantime, please use one of the above browsers.
- The ITER will not work on **Internet Explorer 6 and 7** - there are security risks associated with the use of these browsers.

We understand that some hospitals may not allow the downloading/installation of the recommended browsers. You may wish to use a different device where possible (e.g. laptop or tablet).

For further advice and assistance, please contact assessments@cicm.org.au.
