ACEM ASM 2020

**ACTION UNDER
PRESSURE**

37th ANNUAL
SCIENTIFIC MEETING
22-26 NOVEMBER
CANBERRA

In Emergency Medicine we perform our daily work in a high pressure environment. Our **practice**, our **systems**, our **knowledge** and most of all, our **people** are all pushed to the limit.

How can **you** adapt, survive and thrive in an increasingly busy world?

There's only one way to find out.

We'd love to see you in Canberra for **ACTion Under Pressure**.
