

**Monash University School of Public Health and Preventive
Medicine in conjunction with The Alfred ICU**

Invite all medical, nursing, and allied health staff to attend:

Friday 18th September 2015

THE ALFRED CENTRE, 99 Commercial Road, Prahran, VIC

Do you want to?

- Develop your idea into an achievable research project?
- Improve your understanding of research methodology?
- Accurately interpret study findings?
- Present and publish your work in a professional manner?
- Complete a higher research degree?
- Translate research outcomes into clinical practice?
- Answer the CICM exam questions?
- Become a global research super-star?

THEN THIS COURSE IS FOR YOU!

Keynote Speakers:

Professor Kathy Rowan (Intensive Care National Audit & Research Centre, UK)

Professor Jamie Cooper (The Alfred & Co-Director, ANZIC RC, Monash)

Professor David Pilcher (The Alfred & ANZICS CORE)

Early Bird discounts available until 7 August
