- Special dietary requirements: \_\_\_\_\_

How did you hear about the course? \_\_\_\_\_

Places are limited and cannot be reserved until payment has been received. Applications will be considered and places allocated based on need, with current or future ICU staff being given priority.

Applications generally will not be accepted less than 1 week prior to the course commencement, as there is insufficient time to complete the pre-course reading and assessment.

All proceeds from the course fees are to cover administration and catering costs. Any residual funds are used to further PICU Nursing education and/or to support Paediatric Intensive Care education in resource poor countries, via PICET Group, a registered educational charity.

**COURSE CANCELLATION POLICY**

Cancellation >28 calendar days prior: full refund

Cancellation <28 calendar days prior: full refund if your place can be filled from the waiting list

NO refunds for cancellations within 14 days of the course

*We reserve the right to cancel any course at short notice for reasons of equipment malfunction, unavailability of instructors, or other unforeseen circumstances. In the event of cancellation, every effort will be made to re-schedule the course or alternatively refunds will be provided under these circumstances.*
