

The Auckland CICM Part One Exam Course

November 16-17 2020

Department of Critical Care Medicine, Auckland City Hospital

This two day focussed exam preparation course is targeted at those who are actively preparing to sit the CICM part 1 examination in 2021.

We will provide you with skills to optimise your exam preparation and performance.

Our diverse faculty includes current CICM examiners and expert educators

Content includes

The anatomy of the Part 1 exam: an examiners perspective

The psychology of performance and preparation

Workshops on written and viva technique

Practice written and viva examinations, with individualised feedback

Pre-registration is essential. Please email course convenor Dr Kylie Julian KylieJ1@adhb.govt.nz by Friday August 21st. Course fees will be confirmed once pre-registration is complete – we aim to minimise the cost to attendees.
