

**96129 Staff Specialist in Paediatric Intensive Care
Temporary Part-Time 0.8 FTE (32 hpw for 6 months)
Paediatric Intensive Care Unit, John Hunter Hospital
Newcastle, NSW**

Applications are invited for the position of Staff Specialist, Paediatric Intensive Care at John Hunter Hospital.

The successful applicant will join the John Hunter, and greater Newcastle Intensive Care Services team. The John Hunter Hospital is a major teaching hospital and is the primary tertiary referral centre for trauma in northern NSW, covering all surgical specialties including cardiothoracic. It includes John Hunter Children's Hospital, one of the three tertiary Paediatric hospitals in the state. The busy Intensive Care Unit provides Adult and Paediatric Intensive Care Services and supports a Medical Retrieval Service.

Newcastle is a coastal city and busy port within easy reach of Sydney. The population of the Newcastle Greater Metropolitan Area is 540,796. There are superb surfing beaches and recreational opportunities, and the nearby Hunter Valley is one of Australia's premier wine producing districts.

Newcastle is a great place to live and work. Enjoy living with lake or ocean side views, in new suburban estates, on small or large rural properties or inner city apartment living at affordable prices. Newcastle is less than 30 minutes to Sydney (by air) from Australia's fastest growing regional airport and offers easy access to the spectacular beauty of Byron Bay and the world heritage listed Great Barrier Reef.
