

ICU Registrar

Welcome to St John of God Health Care

St John of God Health Care is a leading health care provider, with private hospitals, home nursing, and Social Outreach services throughout Australia.

Our organisation is part of the Mission of the Catholic Church and every aspect of our care is based on the Christian values of Hospitality, Compassion, Respect, Justice and Excellence. It is these values that guide our holistic approach to caregiving, with respect for the dignity and worth of each person.

St John of God Bendigo Hospital is accredited for CICM Foundation Training, has an exciting opportunity for an experienced ICU Registrar to join the Intensive Care team on a permanent basis. This position is suited to Registrars who have a keen interest in ICU and Anesthetics providing quality medical care and wish to gain further exposure to maximising their knowledge in intensive care.

SJOG Bendigo is a contemporary private hospital in central Victoria providing health care services for people in Bendigo and surrounding areas. The 144-bed facility and highly qualified medical practitioners cater to a wide variety of specialty medical and surgical admissions, plus allied health and community-based services including rehabilitation, physiotherapy and home nursing.

The Requirements:

- Be eligible or have registration as a medical practitioner with Australian Health Practitioner Regulation Agency (AHPRA)
- Demonstrates strong interest in ICU or Anaesthetics with at least 1 year experience
- At least three years of postgraduate experience.
- Demonstrated verbal and written communication skills to effectively interact with patients, family members and other caregivers.

The Benefits:

- Build experience, capacity and confidence
- CICM accredited training unit with assistance with CICM first part exam preparation
- Participate in the hospital Medical Emergency Response
- Exposure to audit processes
- Dedicated weekly Education
- Opportunity to work and learn from leading Consultants
- Supportive working environment
- Exposure to airway management while spending time in Anaesthetics
- Sponsorship visas available for International Medical Graduates

This is an excellent opportunity for ICU Registrars looking to gain more experience within a hospital that offers great training and support, allowing doctors to work closely with Consultants.

**** All applicants must address the Selection Criteria (as detailed on the last page of the Position Description) ****
