

Staff Specialist (Paediatric Intensive Care Unit)

Townsville University Hospital (TUH)

Your opportunity

We are currently seeking an experienced Staff Specialist to join our PICU team. A permanent full-time position is on offer, the level of appointment will be dependent upon experience and advanced qualifications.

Please note, there is scope for this position to include rotational secondment to Queensland Children's Hospital in Brisbane, as negotiated on an individual basis.

What's on offer?

Generous remuneration package of up to \$476,037 p.a., comprising base salary range of \$220,269 - \$233,538 p.a. (L25 - L27) or \$184,196 - \$213,953 p.a. (L18-L24), recreational leave loading (17.5%), employer contribution to superannuation (12.75%), attraction and retention incentive allowance, regional and rural attraction allowance, motor vehicle allowance, professional development allowance, professional development leave (3.6 weeks p.a.), private practice arrangements, communications package, professional indemnity cover and inaccessibility allowance (if applicable). *Assistance with relocation expenses may also be available.*

About the location

Townsville is a vibrant, dynamic city; it is the largest urban centre in Northern Australia and is the gateway to the world famous Great Barrier Reef, stunning beaches, rainforests and the Outback. With over 300 days of sunshine a year and the perfect laid-back tropical/coastal lifestyle Townsville offers stunning natural attractions without sacrificing the benefits of a metropolitan city. No matter your lifestyle...Townsville offers families, couples and individuals a great place to call home.
