## **Intensive Care Medicine Registrars**

**New Zealand, surprise yourself: technology; training programmes; lifestyle**

- **Applications open in New Zealand on 25 April and close on 22 May 2016**
- **Opportunities all advertised on [www.kiwihealthjobs.com/rmo](http://www.kiwihealthjobs.com/rmo)**

New Zealand, surprise yourself with our technology, training programmes and lifestyle. New Zealand: where you can advance your career in a variety of Intensive Care Medicine departments and regions throughout the country. From Southland to Whangarei, twenty DHBs have a variety of training positions for the 2016/2017 training year, all with something to offer. While some offer regional rural experience, others are major tertiary teaching hospitals. Don't miss out on applying and being selected for the 2016/2017 training year. Get your application in from 25 April 2016...but don't miss out as applications close early on 22 May 2016.

### **The training programme**

Each region in New Zealand has its own training programme and we would encourage you to seek information on each of these via the individual DHB websites (and [www.aucklanddoctors.co.nz](http://www.aucklanddoctors.co.nz) website for the Auckland region). In addition, further information can be found on the College of Intensive Care Medicine of Australia and New Zealand.

### **Start dates for 2016/2017 training year**

We are looking for Registrars who can start in one of our hospitals on 12 December 2016.

### **Eligibility criteria**

- You need to be eligible for registration with the Medical Council of New Zealand. Check if you're eligible here <https://www.mcnz.org.nz/get-registered>
