Calvary Health Care South Australia

Intensive Care Registrars/Senior Medical Officers (SMOs)

Calvary Healthcare Adelaide is seeking Intensive Care Registrars/Senior Medical Officers Intensive Care Units at both city locations Calvary Adelaide Hospital (CAH) and Calvary North Adelaide Hospital (CNAH).

Full time, part time and casual positions are available.

Applicants will have:

- Six months Anaesthesia and six months Intensive Care experience in the last two years
- Minimum three years' post-graduation
- Current AHPRA registration

CAH-ICU is a Level III FCICM C6 accredited training hospital with

an active FCICM teaching and research program.

CNAH-ICU is a busy eight bed Level II unit sharing the same Intensivist service as CAH.

Further your career in these advanced and well-equipped ICUs and be part of a highly effective team supported by Senior Intensivists and experienced ICU nurses.

Generous remuneration and salary sacrificing opportunities are available.

Applications with current CV to: Chris Pehlivanides, ICU Coordinator
