

Clinical Director Critical Care Unit

- Graham Street, Shepparton
- Permanent Full-Time

About GV Health

GV Health is a leader in health care delivery in the Hume region. Our services include an Emergency Department, Surgery, Medical, Women's and Children's Services, Rehabilitation, Palliative Care, Mental Health and community based health programs. Our main sites are at Shepparton, Tatura and Rushworth, with additional services at Seymour, Benalla and Wodonga.

GV Health are currently undergoing a \$169 million redevelopment, this redevelopment will include a new renal dialysis unit, an expanded emergency department including satellite medical imaging, inpatient wards, extended theatre space, intensive care unit, a new kitchen, mortuary and the establishment of a Women's and Children's precinct featuring a new, special care nursery, paediatric ward and refurbished maternity ward.

The role

We are seeking a Clinical Director Critical Care Unit to lead and direct the functions of the GV Health Critical Care Unit (CCU) to ensure the achievement of clinical and quality standards including key access indicators, appropriate medical staffing, a suitable education and professional development program and ensuring financial targets for the Department are met.

To be successful in the role you will need:

- Fellowship of the Australasian College of Intensive Care Medicine.
- High level management skills, including the ability to lead a large multidisciplinary clinical team.
- Well-developed interpersonal skills, with the ability to lead and convince others in the pursuit of conflicting and sensitive objectives.
- Demonstrated commitment to high quality patient care.
- Demonstrated capability and interest in research and commitment to teaching.
- Demonstrated understanding of Clinical Governance including clinical risk management and involvement in quality improvement activities
- Demonstrated ability to manage the patient flow in the Critical Care Unit.

Some of the great benefits of working with us:

- Wide range of specialties for clinical staff and career development opportunities
- Salary Packaging
- A collaborative and supportive team environment, while making an important contribution to the health of our community
- Training and Professional Development opportunities
- Paid parental leave (maternity and paternity leave)
- Discount gym & pool memberships

All appointments are made subject to a satisfactory police check and Working with Children's Check (if required). GV Health is an equal opportunity employer and is committed to attracting and retaining a diverse workforce that reflects the community we serve. Applications from Aboriginal and Torres Strait Islanders are encouraged.
