

FIJI NATIONAL  
UNIVERSITY

**College of Medicine, Nursing & Health Sciences**  
*Anaesthesia & Intensive care in Fiji*

**Want to make a difference?**

**Want to rediscover why you studied  
medicine in the first place?**

**Time for Sabbatical or Long Service Leave?**

---

**WE ARE LOOKING FOR**

**FCICMS & FANZCA's to be able to commit to 3  
months or more teaching Anaesthesia and/or  
Intensive care in Fiji**

**Anaesthesia or Intensive care registrars interested  
in spending 3 months approved senior registrar  
training in Fiji**

- Interesting and challenging case mix
- A high proportion of obstetrics, pediatrics, tropical and infectious disease, RHD and trauma
- Presents an opportunity to practice in both Anaesthesia and ICU if so desired
- Enthusiastic trainees hungry for knowledge creating a large emphasis on clinical teaching
- Chance to be involved in system & curriculum development
- Wonderful life style including weekends spent, sailing, diving, hiking, fishing, surfing in a tropical paradise
- Experience the rich culture & hospitality of the Pacific.
- Excellent international school available
