

HOSPITAL MEDICAL OFFICERS

Are you looking for an opportunity to deliver real quality care, in a supportive, progressive and dynamic environment? If this sounds like you then you could have an exciting future with Sunshine Coast University Private Hospital.

As a Hospital Medical Officer on our team you will enjoy the relaxed lifestyle that the Sunshine Coast offers, a friendly and supportive work environment, access to training and development, staff benefits and modern technology and facilities. The Sunshine Coast University Private Hospital offers a great opportunity for a career and lifestyle change in a significant area of growth.

Position Profile

We are currently looking to employ Hospital Medical Officers to join our workforce covering General Medicine and Surgery, to ensure that quality, evidence based medical care is delivered within a safe team environment that is conducive to learning.

Sunshine Coast University Private Hospital opened on 4 November 2013, offering a comprehensive range of inpatient and day services across a wide range of specialties.

We are a 171 bed private hospital, including an 11 bed ICU/CCU, providing a wide range of medical and surgical services including cardio/thoracic and vascular.

This is a great opportunity to use your clinical assessment and diagnostic skills within a supportive environment. These positions would ideally suit medical officers seeking a flexible work arrangement allowing time to undertake further study or to spend time with family.

The medical officer roster operates **24 hours a day, 7 days a week with shifts of 8-12 hours long.** We are continuing to grow to meet the needs of our community and are currently looking to appoint an individual who can meet the following requirements:

Essential Criteria

- **Current** full general registration with AHPRA
- Bachelor of Medicine/Bachelor of Surgery (MBBS) or Doctor of Medicine (MD)
- Minimum three years' clinical experience as a Hospital Medical Officer with at least 1 year of Australian practice

Please note, only applicants that meet the above essential criteria, will be considered.

The Company

Ramsay Health Care was established in 1964 and has grown to become a global hospital group operating over 223 hospitals and day surgery facilities across Australia, the United Kingdom, France, Italy, Indonesia and Malaysia. Ramsay Health Care is Australia's largest private hospital operator and is well-respected in the Australian health care industry for its excellent record in hospital management and patient care. It is this exceptional reputation that attracts leading health care practitioners to work in Ramsay facilities.

We are committed to becoming an employer-of-choice through:

- National staff development programs

- Employee benefit programs
- Family friendly workplaces
- Flexible salary packaging to suit your individual needs

Application Instructions

If you possess the above attributes, focus on your patients, set high standards of performance and drive continuous improvement, then please apply!
