### BE AN INTENSIVE CARE FELLOW or REGISTRAR IN THE NT

**Royal Darwin Hospital (RDH) ICU** is recruiting **Registrars/Senior Registrar/Transition Fellow** for February and August 2019

The RDH Intensive Care Unit (ICU) provides critical care to the Top End NT and the Kimberley Region. RDH is the forward receiving hospital for Northern Australia and plays a major role in disaster management in the region through the National Critical Care & Trauma Response Centre (NCCTRC).

RDH ICU is a mixed Adult/Paediatric Level 3 ICU with 18 beds. In addition to paediatrics, the case mix includes sepsis, trauma, and neurosurgery. Cardiac Surgical Services are scheduled to start in 2019/20. There are 1200 admissions annually. The ICU Department employs 8 ICU Specialists, 1 ICU Fellow, 7 ICU registrars and 5 ICU RMOs.

RDH ICU is accredited for **general, paediatric (AP12), neurosurgery and trauma training** in the new CICM curriculum. In addition CICM has recently accredited RDH ICU for a **Transition Fellow** position. The unit is accredited for 12 months advanced training in the Pre-2014 Curriculum (C12).

RDH ICU has cardiac echo qualified ICU specialists on staff, including CICM qualified assessors. The ICU runs an **echo training program** for registrars and the ability to provide support for higher ultrasound qualifications.

We are an active member of the ANZICS Clinical Trials Group with a full time research coordinator and an active research program.

The registrar role is suitable for PGY 3-4 CICM, ANZCA or ACEM trainees. It provides the opportunity to complete 12 months as ICU registrar and 12 months acute general medicine. 100% of candidates who have sat the CICM Primary while at RDH have passed. Successful candidates will have the opportunity to apply for 12 months anaesthesia training. Trainees may also consider Careflight Registrar options.

ICU Senior registrar role is available for CICM and ANZCA advanced trainees within 2 years of completing their training programme. Transition/Fellow positions are for trainees post CICM Part 2.
