

Medical Officer – CCU/ICU

- **Exciting role**
- **Supportive work environment**
- **State of the art facilities**

We are currently seeking a Medical Officer to work in our critical care /intensive care unit on a permanent basis. The successful candidate will work closely with fellow Medical Officers and nursing staff to ensure the provision of quality health care excellence.

What we are looking for:

- Understanding of private medical services and possess post graduate experience in anaesthetics/airway management and emergency response.
- Experience in the management of medical emergencies and intensive care.
- Superior organisation, interpersonal and time management skills.
- Current APRHA registration – Medical Registration.

What we will offer you:

- Rotating 7 days on; 7 days off; 7 nights on, 7 days off roster offering a healthy work-life balance.
- Supportive, experienced leadership, management and friendly workplace culture.
- Commitment to ongoing training education and professional development.
- Highly competitive and attractive salary package including car allowance, education and phone.
- A variety of staff benefits including extensive salary sacrificing options and discounts within our hospital and pharmacies.

There are a number of options for the 7 on and 7 off roster:

1. Reside in Bundaberg and while enjoying the lifestyle benefits of the Coral Coast has to offer, there is the opportunity to work additional shifts at the Friendlies Afterhours Medical service if desired.
2. Choose to fly in/fly out of Bundaberg and reside in onsite hospital accommodation for the period of your stay. This accommodation is available at a very reasonable price (between \$35-\$50/night) so there would be no need to find rental premises in Bundaberg

If you are looking to take on a challenging and rewarding role, we urge you to apply now or contact us for further information. Please forward your resume and a cover letter outlining your relevant skills and experience to careers@fsph.org.au.
