Our Hospital and Health Service

Delivering outstanding health services is just one of the ways that we care for our community. Our passion for people is reflected in the way we do our work and live our values every day. We value and nurture our team members so that they can provide quality value based care to our patients across our diverse organisation. Our focus on Value Based Healthcare means we expect our staff to deliver the care the patient needs, no more and no less, to achieve the best quality of life for our community. This passion fuels our collaborative culture of innovation and research.

We embrace the diversity of local and greater communities as we provide services to people throughout Queensland, northern New South Wales and the Northern Territory, in all major health specialities including medicine, surgery, mental health, cancer care, trauma, women's and newborn care, and more than 30 sub-specialities. Metro North services include rural, regional and tertiary hospitals, and community and oral health services.

Our diverse Health Service provides a wide variety of rewarding career paths across our tertiary/quaternary referral hospitals, secondary hospitals, community health centres, residential and extended care facilities and regional community hospitals. We expect our staff and volunteers to translate our values into action through providing high quality connected care that is relevant, efficient and respectful of our patients' needs and wishes. Our people are passionate about our community and patients with a focus on putting people first. Come and work where people are at the centre of everything we do and your contribution is truly valued.
