CRITICAL CARE AND RESUSCITATION JOURNAL

MEDIA KIT

THE CCR JOURNAL

Critical Care and Resuscitation (CC&R) is the official scientific journal of the College of Intensive Care Medicine (CICM). The Journal is a quarterly publication (ISSN 1441- 2772) with original articles of scientific and clinical interest in the specialities of Critical Care, Intensive Care, Anaesthesia, Emergency Medicine and related disciplines. The Journal is now in its 19th year of publication and is received and read by all Intensive Care specialists and trainee specialists in Australia and New Zealand, along with an increasing number of subscribers from around the world.
