Description

The journey from Novice trainee to ICU Fellow occurs longitudinally across the duration of training. Feedback linked to assessment criteria during training is key to assisting trainees to learn and change their performance.

Section 1 of the ITER reflects this longitudinal journey.

Section 2 of the ITER provides feedback on the trainee's performance in relation to their stage of training.

Use the scale below to mark an "X" under the appropriate number that best represents the category:

| Novice Training (1 - 10) | Intermediate Training (11 - 15) | ICM Fellow (16 - 20) |
|--------------------------|---------------------------------|----------------------|
|--------------------------|---------------------------------|----------------------|

Place the "X" directly on the number corresponding to the appropriate category.
