

WSLHD Hospital Skills Program Echocardiography Courses November 2025

COURSE 1

FOCUSED ECHOCARDIOGRAPHY IN LIFE SUPPORT COURSE (FELS) & LUNG ULTRASOUND *** ASUM ACCREDITED**

17 NOVEMBER 2025 | 8 A.M. TO 5:30 P.M. | CONCORD HOSPITAL

- Basic cardiac windows: PLAX, PSAX, apical 4 chamber, subxiphoid
- Lung ultrasound
- Cases showing pathology
- Practical pericardiocentesis workshop
- Hands-on practical scanning

COURSE 2

RAPID CARDIAC ECHOCARDIOGRAPHY (RCE) 2 DAY COURSE *** ASUM ACCREDITED**

18 & 19 NOVEMBER 2025 | 8 A.M. TO 5 P.M. | CONCORD HOSPITAL

- Assessment of LV & RV function
- Cardiac output
- Fluid assessment
- Valvular function
- Diastology
- Cardiac tamponade
- PE & effusions
- Introduction to colour and spectral doppler
- Hands-on practical scanning

REGISTRATION COSTS

Doctors in Training/SRMOs/CMOs

17 November (FELS & Lung): \$500

18 & 19 November (RCE): \$1000
or \$1200 for all three days.

Consultants

17 November (FELS & Lung): \$500

18 & 19 November (RCE): \$1500
or \$1800 for all three days.

TEACHING PROGRAM

NOVEMBER 2024

ECHOCARDIOGRAPHY COURSES

MONDAY 17 NOVEMBER (FELS & LUNG)

0830-0845: Registration
0845-0900: Pre-Quiz
0900-1030: FELS Theory, Scan Views & Demonstration
1030-1100: Morning Tea
1100-1315: Practical Scanning Stations
1315-1400: Lunch
1400-1445: Practical Scanning Stations
1445-1530: Lung Ultrasound Introduction & Demonstration
1530-1600: Afternoon Tea
1600-1730: Lung Ultrasound Practical Scanning Stations
1730: Feedback & Close

TUESDAY 18 NOVEMBER (RCE DAY 1)

0815-0830: Registration
0830-0845: Pre-Quiz
0845-0930: FELS Recap, Scan Views & Demonstration
0930-1030: Practical Scanning Stations
1030-1100: Morning Tea
1100-1145: Introduction to Colour & Spectral Doppler, Demonstration
1145-1215: LV Systolic Function, Fractional Shortening, EF Measurements
1215-1315: Practical Scanning Stations
1315-1400: Lunch
1400-1445: Regional Wall Motion Abnormalities
1445-1500: Afternoon tea
1500-1530: RV Function, RV Failure, PE & Acute and Chronic Hypertension
1530-1630: Practical Scanning Stations
1630: Feedback & Close

WEDNESDAY 19 NOVEMBER (RCE DAY 2)

0830-0845: Registration
0845-0930: Atrial Measurement and Size, IVC and Fluid Assessment
0930-1015: Practical Scanning Stations
1015-1045: Morning Tea
1045-1200: Valves and Valvular Heart Disease, Cases
1200-1230: Effusions and Tamponade Physiology
1230-1315: Lunch
1315-1415: Practical Scanning Stations
1415-1515: Diastology
1515-1530: Afternoon Tea
1530-1630: Practical Scanning Stations
1630-1645: Post-Quiz
1645: Feedback & Close
